## Grouse Mountain Lodge Room Renovations

We are very excited to announce that Grouse Mountain Lodge has begun room renovations. Starting in January, we will be updating the entire South wing of the Lodge. Later this fall we will begin the renovations in the North wing. The wings will be closed during the renovations so as not to disturb anyone staying with us.

Below is a list of some of the items that will be addressed.

- New carpet
- Fresh Paint
- New lighting
- New artwork
- Draperies
- New mattresses
- New Bedding
- Flat Screen Tv's
- New tiled bathrooms
- Granite Countertops

This is just a sample list of items to be renovated. Please continue to enjoy your stay and let us know if we can be of any assistance. Thank you for choosing Grouse Mountain Lodge for your vacation accommodations.

We invite you to travel back this way during the summer to see the completed renovations and maybe even take a trip to Glacier National Park for a famous Red Bus ride.
